

AGM Report - U9 Director

I would like to thank all the amazing volunteers we have in our association and our community who have helped our U9 players have a successful season. Being the U9 Director for the last 2 seasons I have learned that none of this would happen without you all.

From the Coaches, Managers, Treasures, Scorekeepers all the on and off Ice help and the Executive you truly inspire me to do more and it's been a pleasure to have met and worked with you all.

Was nice to see this year SPMH Teams return to Tournaments, Social Events, Minor Hockey week. etc. Our U9 division had 68 players rostered this year giving us 4 Teams of 17 which made our U9 teams a good size this year.

Thanks for everyone's feedback throughout the season, positive and negative. Your feedback helps us raise issues on time and helps us to continue to do better. The main complaint I received was to have more notice of team scheduling, and more notice to home Tournaments and Minor hockey week.

Thank you to you all and SPMHA for having me as your U9 Director for the past 2 seasons. It's been an Honor.
